Enlightened Self Love

Powerful Support for New Choices

Activate the love, wisdom and strength of your Enlightened Self. Feel the rich textures of your soul's love as it fills your heart and awakens you to all that you are. Enlist the power of your superconscious mind to change limiting subconscious patterns, and energize your new enlightened choices.

Meet Your INNER MATE

A Key to Wholeness and Trust

Feel the balancing of your Male and Female energies (Yin/Yang) as you meet and merge deeply with your Inner Mate, the part of you that is your perfect complement and brings you to Wholeness. Find new ways of looking to yourself instead of others by integrating the trust, wisdom and strength of your Inner Mate.

Letting Go

Making Room for Your Soulmate

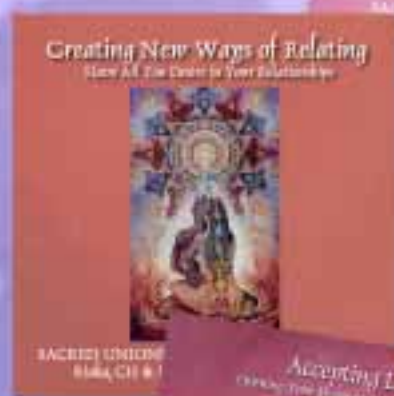

Assisted by your Enlightened Self, clear away old ties that no longer serve you. Bring your energy to the present moment. Brighten your heart beacon to be available to love.

Soulmate Serenade

Manifesting Your Perfect Mate

Energize the magnetic attraction between you and your soulmate. Experience the irresistible force of your love for one another. Open deeper pathways to give and receive the love you desire and deserve.

Creating New Ways of Relating - 2 CD Hypnosis Set

Have All You Desire in Your Relationships

Hypnosis assists you to draw upon the wisdom and strength of your Enlightened Self to release and clear away any limiting pattern of relating that no longer serves you. Energize new ways of being your true self and having all you desire in your relationships.

Accepting Love

Opening Your Heart to Receive More Love

Melt away any covering over your heart to allow a deeper acceptance of love. Invite into your circle those you treasure most and experience the depth of love they have for you. Feel the rich textures and colors of loves' flow. Experience how lovable you are - just as you are.
